## The Dumb Lough

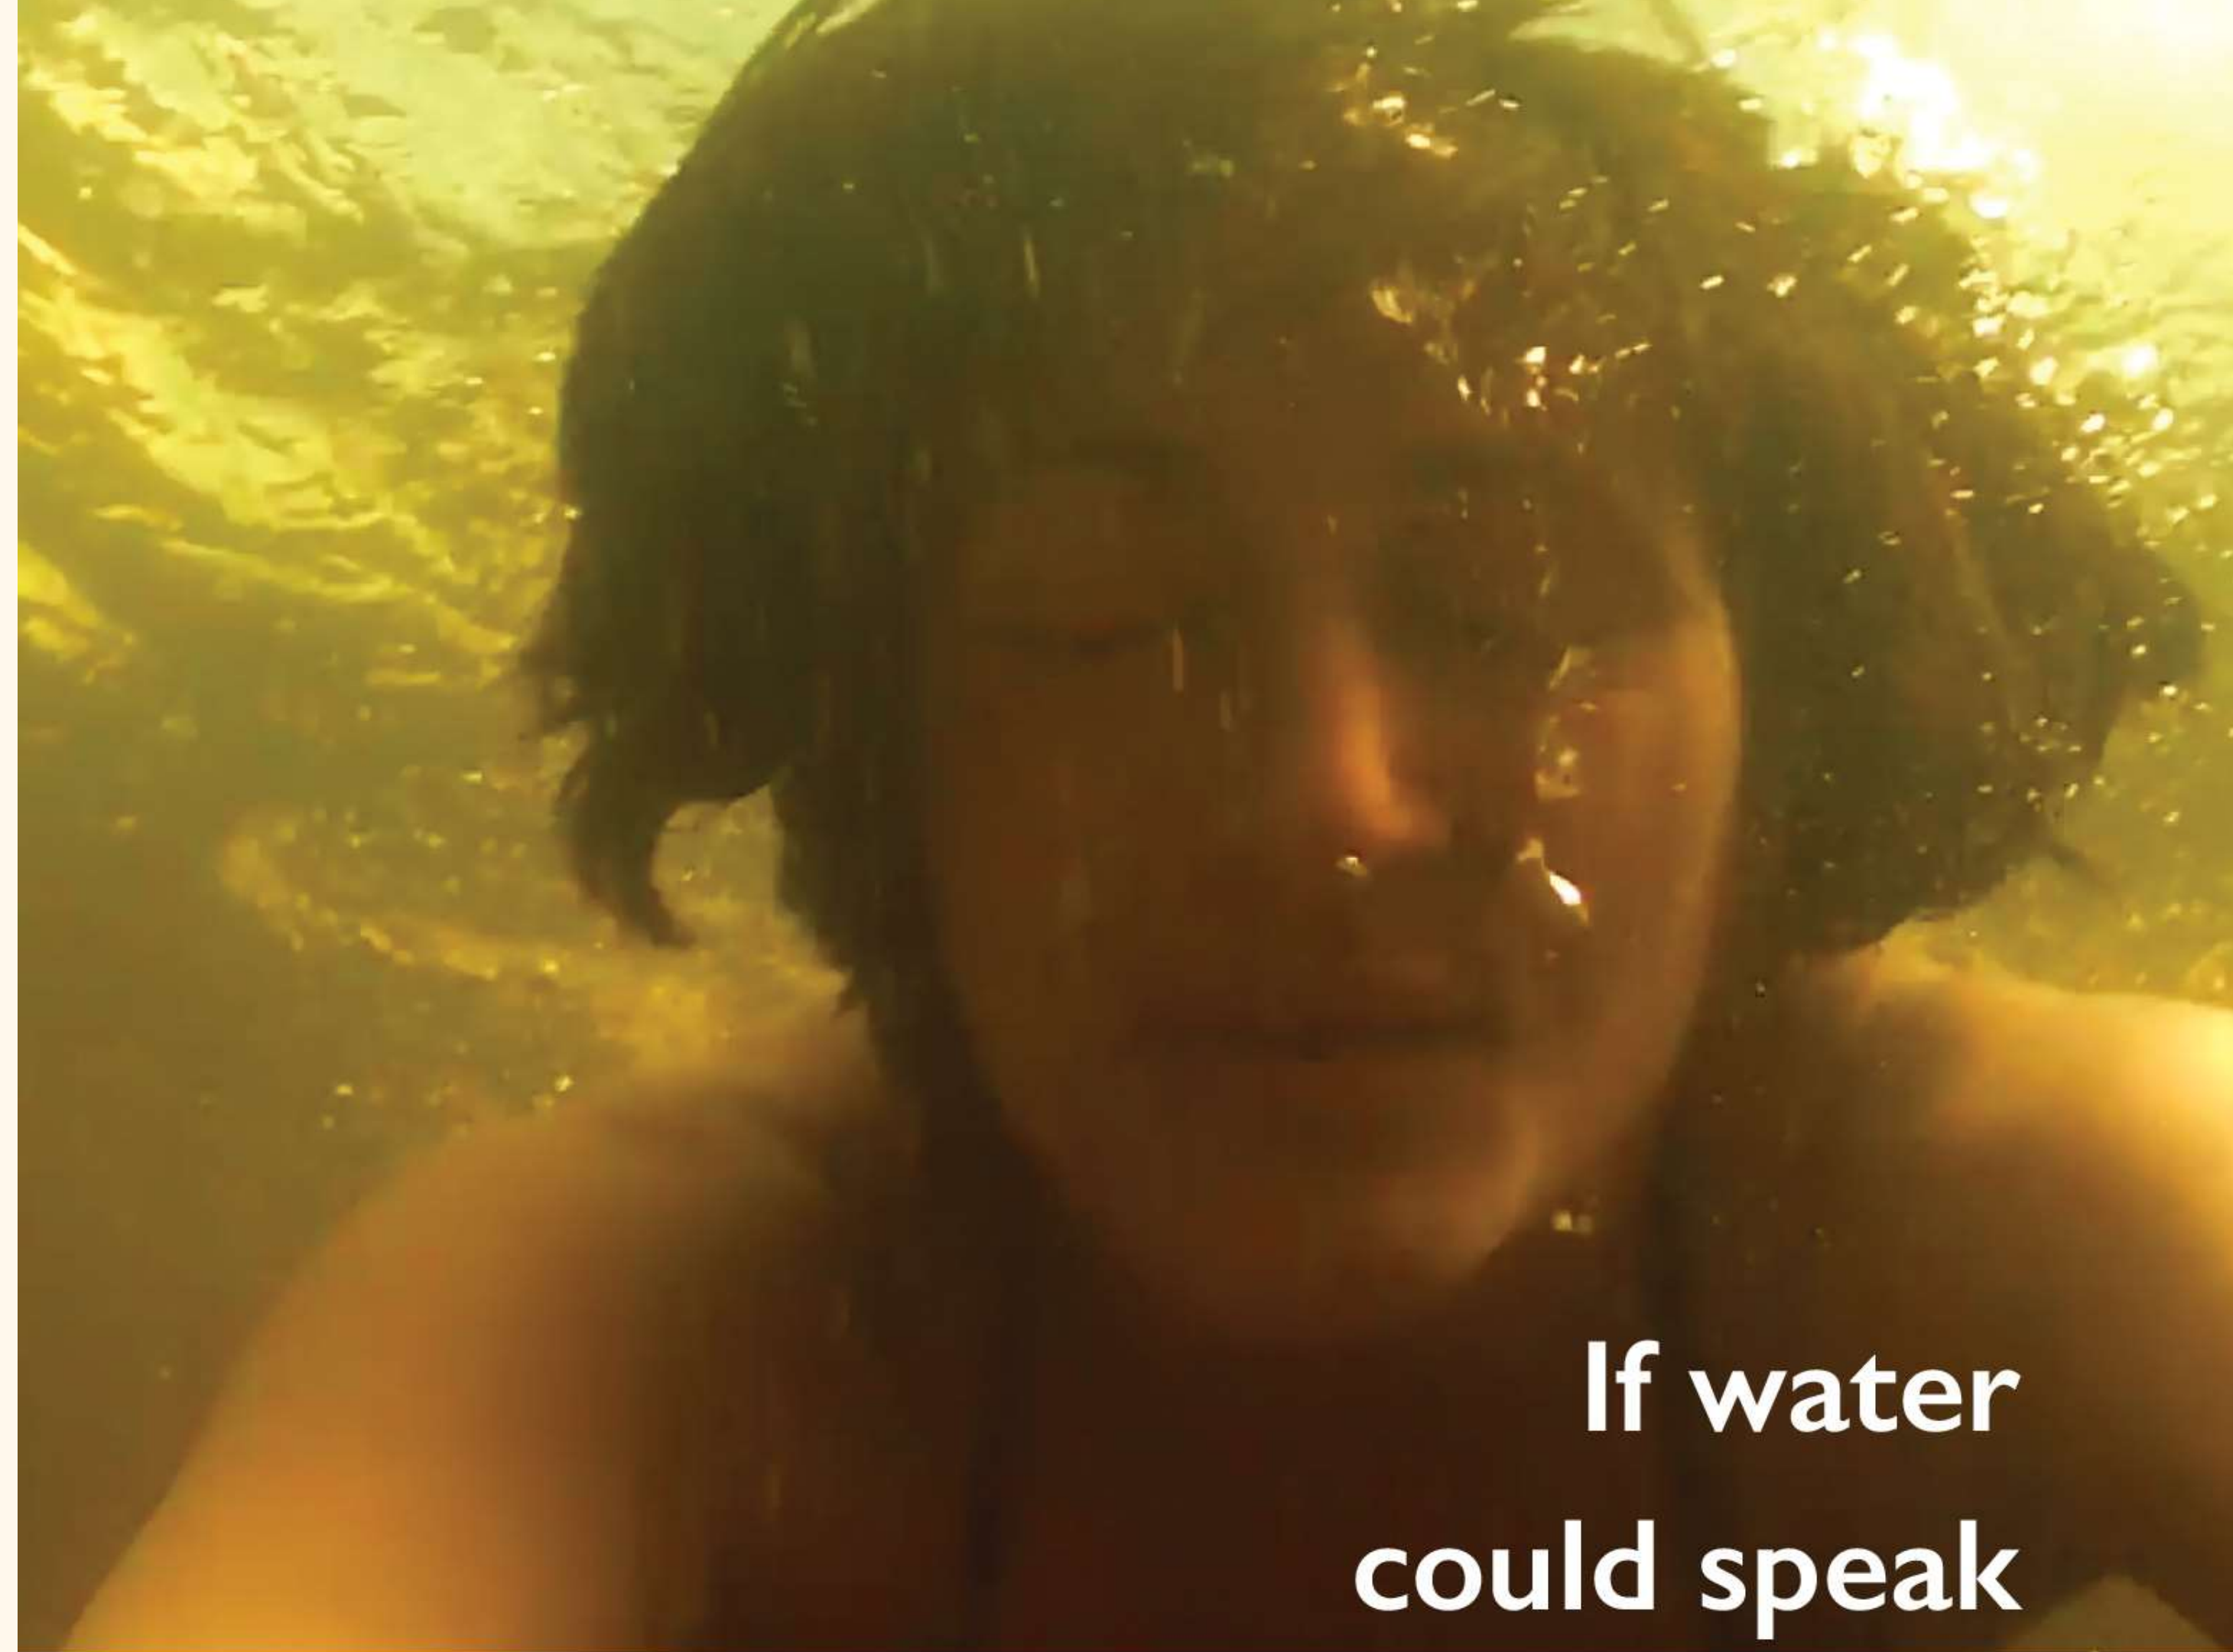

**Michelle Boyle**  
**Artist / Independent Curator**

The Dumb Lough is a small lake on the River Erne Catchment in Ireland.

The Water Conversations ask people to respond to their local river, lake, well or canal through story, image and water collection. It is one of the projects I have initiated as an artist / curator drawing attention to the aesthetic of water in the landscape and our emotional connection with it.

**If water  
could speak  
what would  
it say  
to us?**

The Blackwater

This fisherman

He

Spoke for the river  
Spoke for the flies  
Spoke for the fish

Sewage

Up to his solid deep trunk  
I imagined  
The Boyne bending around him

The dark drive home from  
Climate- Community-Collaboration

The Nine Eye Bridge rose in question

?

Did you

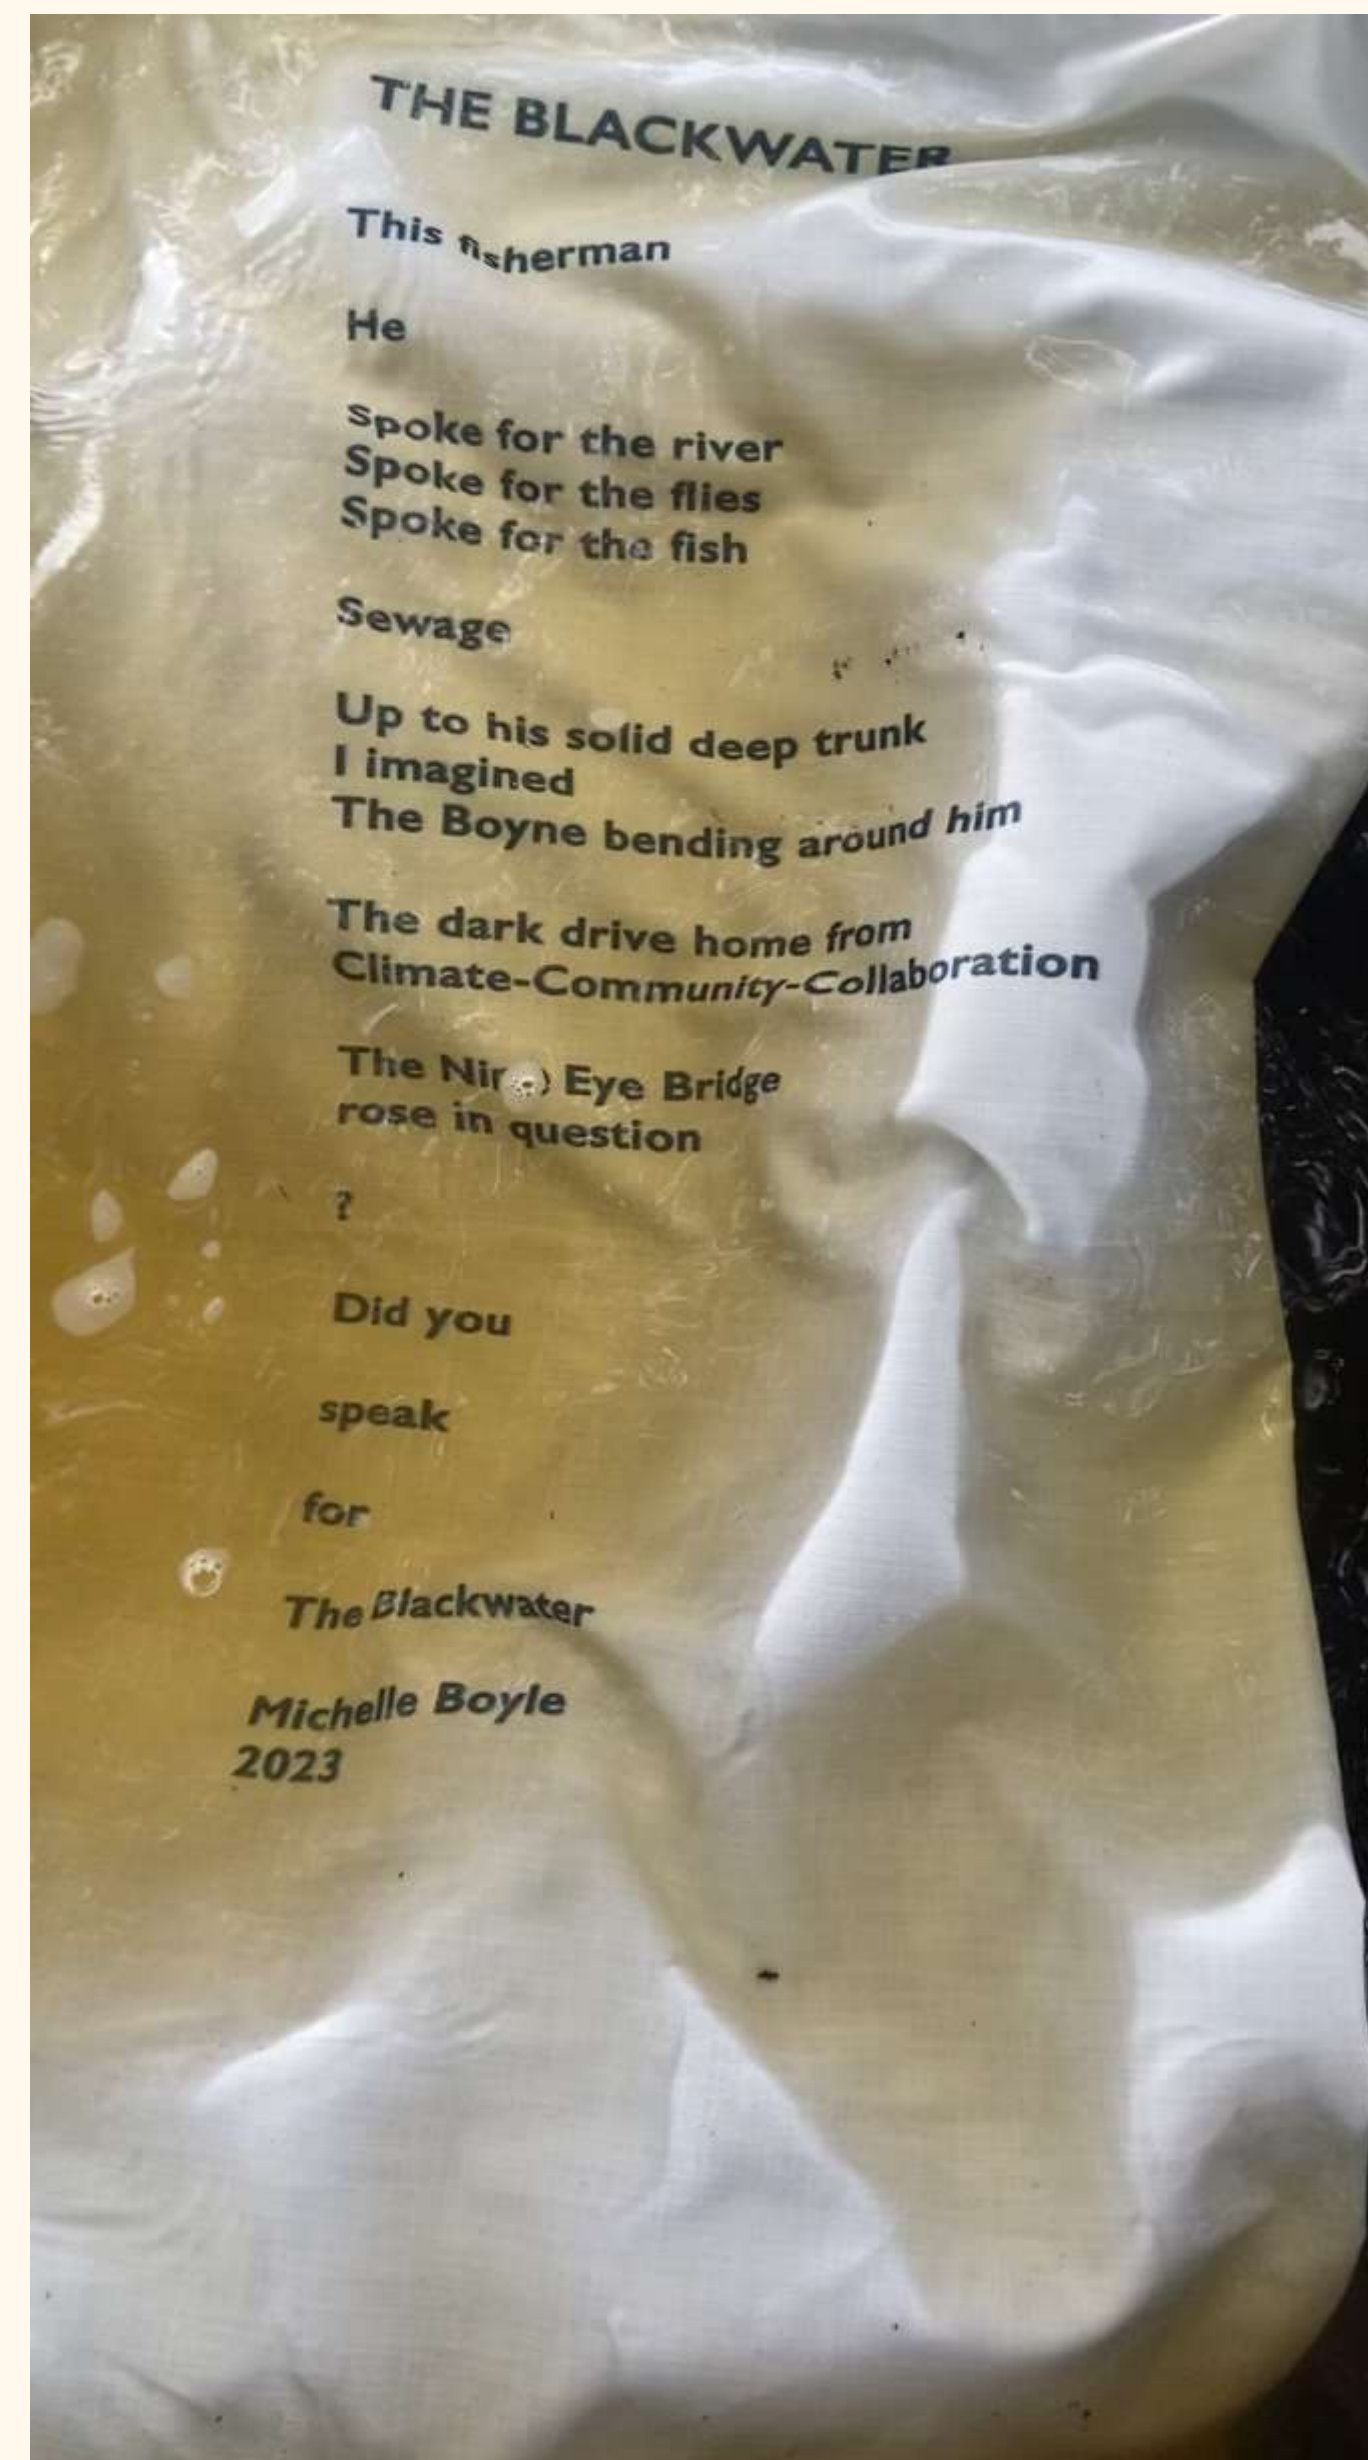

Speak

for

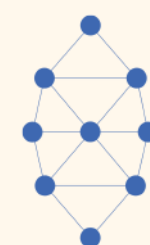

The Blackwater
