(*) Explanation of the difference between the Online Meeting and the Telematic Meeting

Your participation is expected only for the **online meeting**, when discussions and interactions with all WAMU-NET members are possible through the Zoom meeting.

In case you cannot join the online meeting, you can send your votes by email before the Telematic Meeting takes place.

Each member can express a vote either during the Online Meeting or when the Telematic Meeting takes place as regards, in particular, the following items of the OoB:

(i) the approval of the Annual Membership Contributions for the year 2022; and

(ii) the approval of the Forecast Budget for the next year (art.16).

For each item, members vote by choosing one of the following options: ‘*In favor*’, ‘*Against*’, or ‘*Abstained*’.

A template to express your votes during the Online Meeting is made available.

For the Telematic Meeting, you can send your votes to the following email address: mail@watermuseums.net

Please note that during the Telematic Meeting there will be no online discussion. This meeting is aiming just to count and record all votes sent by members via email (in addition to those collected during the Online Meeting).

Thank you for your active participation.

I am looking forward to meeting you at the next Members’ Assembly.

Kind regards

Eddy Moors

President of the *Global Network of Water Museums*
