Your participation is expected for the online meeting, when discussions and interactions with all WAMU-NET members are possible through the Zoom meeting.

In case you cannot join the online meeting, you can send your votes on the Budget by email until the Telematic Meeting takes place.

Each member can express a vote either during the Online Meeting or when the Telematic Meeting takes place.

Votes will be collected both during the online and the telematic meeting on the following items:

(i) Approval of the Budget 2021.

Members vote by choosing one of the following options: 'In favor', 'Against', or 'Abstained'.

A template to express your votes during the Online Meeting will be made available.

For the Telematic Meeting, you can send your votes to the following email address: mail@watermuseums.net

Please note that during the Telematic Meeting there will be no online discussion. This meeting is aiming just to count and record all votes sent by members via email (in addition to those collected during the Online Meeting).
